List 10—Specifications for the manufacture of fire hose and mill hose. (1) The following specifications (which, with respect to the use of Rubber, are identical with Federal Emergency Alternate Specifications E-ZZ-H-451a) shall apply to the manufacture of fire hose and mill hose.

(2) Fire hose and mill hose shall be manufactured only in the following sizes and the maximum amount of Rubber per 100 feet for each size shall not be greater than the amount specified for each size as follows:

Normal size	Maximum amount of rubber permitted, per 100 feet
1½ inch	4 pounds
2½ inch	7 pounds
3 inch	8.5 pounds
3½ inch	10 pounds

(3) The rubber lining shall be made either from calendered sheets of not less than three plies lap-jointed and vulcanized into one solid body, or from a single ply extruded tube. The lap joints of calendered tubes shall be as small as is consistent with best manufacturing practice.

(4) The rubber lining shall be of a thickness not less than .04 of an inch at any point when measured on specimens buffed just to the point where the fabric impressions left by the jacket are removed.

(5) Each set of hose couplings shall be provided with three rubber gaskets of good quality. One gasket shall fit accurately the swivel of the couplings, and one (not less than 1/8 of an inch thick) shall be placed under the end of each expansion ring. When the coupling is made up snugly, as in service, the gasket in the swivel shall not be compressed to such an extent as to project beyond the inside surface of the coupling.

(6) The hose shall have an internal diameter as shown by a tapered plug gauge of not less than the nominal size of the hose, except that in the case of 2½-inch hose, the internal diameter so measured shall not be less than 2 1/16 inches.

(7) Unless otherwise specified, hose shall be furnished in lengths averaging not less than 50 feet, measured from back to back of couplings and under a pressure of 10 pounds per square inch. No length before sampling shall be less than 48 feet.

(8) The hose with couplings attached shall meet the following hydrostatic proof pressure test requirements without leakage in the hose or at the couplings or breaking any threads in the jacket.

	Numerical requirements for—				
	Single Jacket	Double Jacket	1 1/2 in.	2 1/2 in.	3 1/4 in.
Test pressure for initial requirements—pounds per square inch.			10	10	10
Test pressure—pounds per square inch.	300	300	400	400	400
Test pressure for kink test—pounds per square inch.			350	350	250
Elongation at test pressure—maximum percent.			8	8	8
Twist to right—maximum degrees per foot.			29	12.5	12.5
Twist to left—maximum degrees per foot.			0	0	0
Warp—maximum inches.			20	20	20
Rise—maximum inches.			0	0	0

The kink test may be required on only one sample per 100 lengths.

A twist to the right is indicated by a clockwise rotation of the coupling, look-

ing from the hose toward the coupling. A twist to the left is indicated by a counter clockwise rotation. A maximum twist to the left of 2 degrees per foot will be permitted while pressure is being raised, but any final twist must be to the right.

Warp is defined as deviation from a straight line.

(9) A three foot sample, when subject to a burst test while lying straight, shall not burst below the pressure specified in the following table:

Kind of hose	Burst pressure (pounds per square inch)
Single jacket	450
Double jacket	600

(10) The hose shall meet the following tests with respect to the rubber lining:

(a) Tensile strength of at least 800 pounds per square inch when tested across the fold.

(b) Ultimate elongation of at least 300%.

(c) Tensile strength, as determined with test pieces 1/2 inch wide prepared from strips cut transversely across the fold which have been subjected to the action of dry heat of 158 degrees ± 2 degrees Fahrenheit for 96 hours, shall be not less than 75% of the strength before heating.

(11) The adhesion of the rubber lining to the jacket shall be such that a weight of 8 pounds suspended from a strip 1 1/2 inches wide will cause separation at a rate not greater than 1 inch per minute. This requirement does not prohibit that construction wherein there is no adhesion between the jacket and lining along the fold, provided the surface over which there is no adhesion is not greater than 35% of the total surface.

* 1300.1 to 1300.56, inclusive, issued pursuant to Pub. No. 421, 77th Cong., 2nd Sess.

ISSUANCE OF MAXIMUM PRICE REGULATIONS

§ 1300.2 Investigation prior to issuance. A maximum price regulation may be issued by the Administrator after such studies and investigations as he deems necessary or proper. Before issuing a maximum price regulation the Administrator shall, so far as practicable, advise and consult with representative members of the industry which will be affected by such regulation.*

§ 1300.3 Price hearing prior to issuance. Whenever the Administrator deems it necessary or proper that a price hearing be held prior to the issuance of a maximum price regulation, he may provide for such hearing in accordance with §§ 1300.1 and 1300.5 of this Regulation (§§ 1300.1 to 1300.56, incl.).*

§ 1300.4 Notice of pre-issuance hearing. Notice of any price hearing ordered prior to the issuance of a maximum price regulation shall be given by publication of such notice in the FEDERAL REGISTER, and may be supplemented by notice given in any other appropriate manner. The notice shall state the time and place of the price hearing and shall contain an appropriate indication of the purposes of such hearing.*

§ 1300.5 Conduct of pre-issuance hearing. A price hearing held prior to the issuance of a maximum price regulation shall be conducted in such manner, consistent with the need for expeditious action, as will permit the fullest possible presentation of evidence by such persons as are, in the judgment of the Administrator, best qualified to pro-

vide information with respect to matters considered at the hearing or most likely to be seriously affected by action which may be taken as a result of the hearing.*

§ 1300.6 Statement of considerations. Every maximum price regulation shall be accompanied by a statement of the considerations involved in its issuance. Such statement may include economic data and other facts of which the Administrator has taken official notice and facts found by the Administrator as a result of action taken under section 202 (a) of the Act.*

§ 1300.7 Notice of provisions of a maximum price regulation. Notice of the provisions of a maximum price regulation shall be given by filing such regulation with the Division of the Federal Register. As soon as possible after the filing of such regulation, the Administrator shall make copies thereof available to the press.*

§ 1300.8 Effective date. A maximum price regulation shall become effective five days after the date of its issuance, unless an earlier or later date is specified therein.*

PROTESTS

§ 1300.9 Right to protest. Any person subject to any provision of a maximum price regulation may file a protest against such provision in the manner set forth below. A person is, for the purposes of this Regulation, (§§ 1300.1 to 1300.56, incl.) subject to a provision of a maximum price regulation only if such provision prohibits or requires action by him. Any protest filed by a person not subject to the provision protested may be dismissed by the Administrator.*

§ 1300.10 Action by representative. Any action which by this Regulation (§§ 1300.1 to 1300.56, incl.) is required of, or permitted to be taken by, a protestant may, unless otherwise expressly stated, be taken on his behalf by any person whom the protestant has by written power of attorney authorized to represent him. Such power of attorney signed by the protestant, shall be filed with the protest.*

§ 1300.11 Time and place for filing protests. Any protest against a provision of a maximum price regulation shall be filed with the Secretary, Office of Price Administration, Washington, D. C., within a period of 60 days after the date of issuance of such regulation, regardless of the effective date prescribed therein: *Provided, however,* That any protest based solely upon grounds arising after the expiration of 60 days after the date of issuance of a maximum price regulation may be filed at any time after the grounds for such protest arise.*

§ 1300.12 Form of protest. Every protest shall contain, upon the first page thereof, the number and the date of issuance of the maximum price regulation against a provision of which the protest is made. One original and four copies of the protest and of all accompanying documents and briefs shall be filed. Each copy shall be printed, typewritten, mimeographed or prepared by a similar process, and shall be plainly legible. Copies shall be double spaced, except that quo-

tations shall be single-spaced and indented.*

§ 1300.13 *Assignment of docket number.* Upon receipt of a protest it shall be assigned a docket number, of which the protestant shall be notified, and all further papers filed in the proceedings shall contain on the first page thereof the docket number so assigned and the number and date of issuance of the maximum price regulation protested.*

§ 1300.14 *Contents of protest.* Every protest shall set forth the following:

(a) The name and the post office address of the protestant, the nature of his business, and the manner in which the protestant is subject to the maximum price regulation protested.

(b) The name and post office address of the person filing the protest on behalf of the protestant and the name and post office address of the person to whom all communications from the Office of Price Administration relating to the protest shall be sent.

(c) A clear and concise statement of all objections raised by the protestant against the provision or provisions protested, each such objection to be separately stated and numbered.

(d) A clear and concise statement of all facts alleged in support of the objections.

(e) A statement of the relief requested by the protestant including, if the protestant requests modification of a provision of the maximum price regulation, the specific changes which he seeks to have made in the provision.

(f) In cases where the protest is filed on grounds arising after the expiration of 60 days after the issuance of the maximum price regulation, a clear and concise statement of facts showing the time when such grounds arose.

(g) A statement, signed and sworn to by the protestant personally, that the protest and the documents filed therewith are prepared in good faith and that the facts alleged are true to the best of his knowledge, information, and belief. The protestant shall specify which of the facts alleged are known to him to be true and which are alleged on information and belief.*

§ 1300.15 *Affidavits or other written evidence in support of protest.* Every protestant shall file in conjunction with his protest the following:

(a) Affidavits setting forth in full all the evidence, the presentation of which is subject to the control of the protestant, upon which the protestant relies in support of the facts alleged in the protest. Each such affidavit shall state the name, post office address, and occupation of the affiant; his business connection, if any, with the protestant; and whether the facts set forth in the affidavit are stated from personal knowledge or on information and belief. In every instance, the affiant shall state in detail the sources of his information.

(b) A statement by the protestant in affidavit form setting forth in detail the nature and sources of any further evidence, not subject to his control, upon which he believes he can rely in support of the facts alleged in his protest.

(c) If necessary, a further statement setting forth the nature and sources of any evidence which the protestant is unable to present solely because of the time limited for the filing of protests and supporting material. Such further statement may contain a request for an opportunity to present such further evidence, which request shall state specifically the amount of time needed for preparation of such evidence.*

§ 1300.16 *Submission of brief by protestant.* The protestant may file with his protest and accompanying evidential material a brief in support of the objections set forth in the protest. Such brief shall be submitted as a separate document, distinct from the protest and evidential material.*

§ 1300.17 *Amendment of protest and presentation of supplemental evidence.* (a) Within a period of 60 days after the issuance of the maximum price regulation against a provision of which his protest is filed or, in the case of a protest properly filed more than 60 days after the issuance of a maximum price regulation, within 15 days after such protest is filed, the protestant may amend his protest or the affidavits and briefs submitted therewith, or may add to such material.

(b) After the time prescribed in section (a) of this § 1300.17 a protestant may be granted permission to amend his protest or to present further evidence in connection therewith, when, in the judgment of the Administrator, such permission will not unduly delay the completion of proceedings on the protest.

(c) No amendment which adds a new ground of protest will be permitted.*

§ 1300.18 *Protest and evidential material not conforming to §§ 1300.12, 1300.14 and 1300.15.* In any case where a protest or accompanying evidential material does not conform, in a substantial respect, to §§ 1300.12, 1300.14 and 1300.15 of this Regulation (§§ 1300.1 to 1300.56, incl.), the Administrator may dismiss such protest.*

§ 1300.19 *Action by the Administrator on protest.* (a) Within a reasonable time after the filing of any protest in accordance with §§ 1300.12, 1300.14 and 1300.15, but in no event more than 30 days after such filing or 90 days after the issuance of the maximum price regulation against a provision of which the protest is filed, whichever occurs later, the Administrator shall:

(1) grant or deny such protest in whole or in part;

(2) notice such protest for oral hearing, to be held in accordance with the provisions of §§ 1300.23 to 1300.31, inclusive, of this Regulation (§§ 1300.1 to 1300.56, incl.); or

(3) provide an opportunity to present further evidence in connection with such protest. Within a reasonable time after the presentation of such further evidence, the Administrator may notice such protest for oral hearing in accordance with subparagraph (2) of this section.

(b) Notice of any such action taken by the Administrator shall promptly be served upon the protestant.

(c) Where the Administrator has ordered a hearing on a protest or has provided an opportunity for the presentation of further evidence in connection therewith, he shall, within a reasonable time after the completion of such hearing, grant or deny such protest in whole or in part.*

§ 1300.20 *Statements in support of maximum price regulation.* (a) Any person affected by the provisions of a maximum price regulation may at any time after the issuance of such regulation submit to the Administrator a statement in support of any such provision or provisions. Such statement shall include the name and post office address of such person, the nature of his business, and the manner in which such person is affected by the maximum price regulation in question, and may be accompanied by affidavits and other data. Each such supporting statement shall conform to the requirements of § 1300.12 of this Regulation (§§ 1300.1 to 1300.56, inclusive).

(b) In the event that a protest has been, or is subsequently, filed to a provision of a maximum price regulation in support of which a statement has been submitted, the Administrator may include such statement in the record of the proceedings taken in connection with such protest. If such supporting statement is incorporated into the record, and is not so incorporated at an oral hearing, copies of such supporting statement shall be served upon the protestant, and the protestant shall be given a reasonable opportunity to present evidence in rebuttal thereof.*

§ 1300.21 *Inclusion of material in the record by the Administrator.* The Administrator shall include in the record of the proceedings on the protest such evidence, in the form of affidavits or otherwise, as he deems appropriate in support of the provision against which the protest is filed. When such evidence is incorporated into the record, and is not so incorporated at an oral hearing, copies thereof shall be served upon the protestant, and the protestant shall be given a reasonable opportunity to present evidence in rebuttal thereof.*

§ 1300.22 *Consolidation of protests.* Whenever necessary or appropriate for the full and expeditious determination of common questions raised by two or more protests the Administrator may consolidate such protests.*

ORAL HEARINGS ON PROTESTS

§ 1300.23 *Nature of oral hearing.* In the event that the Administrator orders an oral hearing in connection with a protest, notice shall be served on the protestant not less than five days prior to such hearing. The time and place of the hearing shall be stated in the notice.*

§ 1300.24 *Conference prior to oral hearing.* At any time prior to the commencement of the oral hearing, the Administrator may request the protestant to appear at a conference to consider: (a) the simplification of issues; (b) the possibility of obtaining stipulations of fact and of documents which will avoid unnecessary proof; and (c) such other

matters as may expedite the conduct of the oral hearing. No transcript of such conference shall be kept, but the Administrator shall incorporate in the record of the proceedings any written stipulations or agreements made at, or as a result of, the conference. If the circumstances are such that an oral conference is impracticable, the Administrator may direct that such negotiations be conducted by correspondence.*

§ 1300.25 *Continuance or adjournment of oral hearing.* The oral hearing shall be held at the time and place specified by the notice of hearing but may be continued or adjourned to a later day or to a different place. Notice of such adjournment or continuance may be by announcement at the oral hearing.*

§ 1300.26 *Conduct of the oral hearing.* (a) The oral hearing shall be conducted by the Administrator or such officer or employee of the Office of Price Administration (hereinafter referred to as the "presiding officer") as the Administrator may appoint or designate for that purpose. Any such appointment or designation may be made or revoked by the Administrator at any time.

(b) The oral hearing shall be conducted in such manner as will permit the protestant to present evidence and argument to the fullest extent compatible with expeditious decision of the issues raised by the protest. To this end:

(1) The rules of evidence prevailing in courts of law or equity shall not be controlling;

(2) The presiding officer, having due regard to the need for expeditious decision and for fair treatment to all protestants, may restrict oral argument and the examination and cross-examination of witnesses: *Provided, however,* That in no event shall this section be taken to limit the right of any protestant to submit affidavits or other written evidence or arguments.*

§ 1300.27 *Filing of briefs.* The presiding officer shall allow the protestant to file briefs or written arguments within such time as he shall designate.*

§ 1300.28 *Subpoenas.* (a) Applications for subpoenas, when made prior to the oral hearing, may be filed by the protestant with the Secretary. The Administrator may grant or deny the application or refer it to the presiding officer appointed or designated under § 1300.26, who may thereafter grant or deny the application. Applications for subpoenas made during the oral hearing shall be submitted to the presiding officer, who may grant or deny such application.

(b) All applications for subpoenas shall specify the name of the witness and the nature of the facts to be proved by him and, if calling for the production of documents, shall specify them with such particularity as will enable them to be identified for purposes of production.

(c) Service of a subpoena upon a person named therein shall be made by delivering a copy thereof to such person and by tendering to him the fees and mileage specified in section 202 (f) of the Act. When the subpoena is issued

at the instance of the Administrator fees and mileage need not be tendered.*

§ 1300.29 *Witnesses.* Witnesses summoned before the presiding officer at any protest hearing shall be paid the fees and mileage specified by section 202 (f) of the Act. Witness fees and mileage shall be paid by the person at whose instance the witness appears.*

§ 1300.30 *Contemptuous conduct.* Contemptuous conduct at any oral hearing shall be ground for exclusion from the hearing. The refusal of a witness to answer any question which has been ruled to be proper shall, in the discretion of the presiding officer, be ground for the striking out of all testimony previously given by such witness on related matters.*

§ 1300.31 *Stenographic report of oral hearing.* A Stenographic report of the oral hearing shall be made, a copy of which shall be available for inspection during business hours in the office of the Secretary, Office of Price Administration, Washington, D. C.*

OPINION AND TRANSCRIPT

§ 1300.32 *Opinion denying protest in whole or in part.* In the event that the Administrator denies any protest in whole or in part, he shall inform the protestant of the grounds upon which such decision is based, and of any economic data and other facts of which the Administrator has taken official notice.*

§ 1300.33 *Treatment of protest as petition for amendment or for adjustment or exception.* Any protest filed against a provision of a maximum price regulation may, in the discretion of the Administrator, be treated not only as a protest but also as a petition for amendment of the regulation protested, or as a petition for adjustment or exception pursuant thereto, when the facts produced in connection with the protest justify such treatment.*

§ 1300.34 *Transcript for judicial review.* The transcript for judicial review shall include: (a) the maximum price regulation against a provision of which the protest was filed; (b) the statement of considerations accompanying such regulation; (c) the protest; (d) a statement setting forth, as far as practicable, the economic data and other facts of which the Administrator has taken official notice; and (e) such other portions of the proceedings in connection with the protest as are material under the complaint.*

PETITION FOR AMENDMENT

§ 1300.35 *Right to file petition.* A petition for amendment may be filed: (a) by any person subject to any provision of a maximum price regulation who has failed to file a proper protest within the time specified in § 1300.11; (b) by any other person subject to any provision of a maximum price regulation who proposes an amendment thereof; or (c) by any person who desires modification in any provision of a maximum price regulation by which he is affected but to which he is not subject within § 1300.9 of this Regulation (§§ 1300.1 to 1300.56 inclusive).*

§ 1300.36 *Method of filing, form, and contents.* A petition for amendment shall be filed with the Secretary, Office of Price Administration, Washington, D. C., and shall conform in all respects to the requirements set forth in § 1300.12 of this Regulation. (§§ 1300.1 to 1300.56 inclusive) The petition shall state the name and post office address of the petitioner, shall specify the manner in which the petitioner is affected by the provision of the maximum price regulation involved, and shall include a specific statement of the particular amendment desired and the facts which make that amendment necessary or appropriate. The petition may be accompanied by affidavits setting forth the evidence upon which the petitioner relies in support of the facts alleged in his petition.*

§ 1300.37 *Action by the Administrator on petition.* In the consideration of any petition for amendment the Administrator may afford to the petitioner and to other persons likely to have information bearing upon such proposed amendment, or likely to be affected thereby, an opportunity to present evidence or argument in support of, or in opposition to, such proposed amendment.*

PETITION FOR ADJUSTMENT OR EXCEPTION

§ 1300.38 *Right to file petition.* A petition for adjustment or exception may be filed by any person subject to any provision of a maximum price regulation who requests such adjustment or exception pursuant to a provision of the maximum price regulation authorizing such action.*

C. and shall conform in all respects to the requirements set forth in § 1300.12 of this Regulation. AMENDMENT NO. 7 TO PRICE SCHEDULE NO. 7—COMBED COTTON YARNS AND THE PROCESSING THEREOF

Corrections

The word "charged" should read "changed" in the second line of § 1307.3 (b) on page 708 of the issue for Wednesday, February 4, 1942.

Under "Cotton content" in § 1307.8 (g) on page 709, "25s to 30s, inclusive" should be followed by "1 3/2"."

Footnote 10 under the table headed "Plied Twist" on page 711 has "plied" instead of "plied" in the last line.

The first item of the second table in the third column on page 711 should read "20s and below".

Now, therefore, it is hereby ordered, That a hearing pursuant to sections 4 II (j), 5 (b), and 6 (a), and other pertinent provisions of the Act to determine whether or not the aforementioned Code member has committed the violations in the respects heretofore described and whether or not the Code membership of said Code member should be revoked or an order should be entered directing the Code member to cease and desist from violating the Act and the Code and rules and regulations of the Division thereunder be held on March 14, 1942, at 10 a. m., at a hearing room of the Division at the Federal Court House, Price, Utah.

It is further ordered, That Scott A. Dahlquist or any other officer or officers of the Division duly designated for that purpose shall preside at the hearing in such matter. The officer so designated to preside at such hearing is hereby authorized to conduct said hearing, to administer oaths and affirmations, examine witnesses, compel their attendance, take evidence, require the production of any books, correspondence, memoranda or other records deemed relevant or material to the inquiry, to continue said hearing from time to time and to such places as he may direct by announcement at said hearing or any adjourned hearing, or by subsequent notice, and to prepare and submit proposed findings of fact and conclusions, and the recommendation of an appropriate order in the premises, and to perform all other duties in connection therewith authorized by law.

Division of Public Contracts.

AMENDMENT TO DETERMINATION OF PREVAILING MINIMUM WAGES IN WOOL TROUSERS BRANCH OF UNIFORM AND CLOTHING INDUSTRY

NOTICE OF HEARING

All interested parties are hereby notified that a hearing will be held before the Public Contracts Board in Room 3135, Department of Labor Building, Washington, D. C., commencing at 10 a. m. on Thursday, February 19, 1942 on the petition of the Amalgamated Clothing Workers of America that the Secretary of Labor amend the determination of January 25, 1941 made under the provisions of section 1 (b) of the Act of June 30, 1936 (49 Stat. 2036; 41 U.S.C. Sup. III 35), otherwise known as the Walsh-Healey Public Contracts Act, for the wool trousers branch of the uniform and clothing industry by finding that the prevailing minimum wage is 60 cents an hour with a 20 percent tolerance for auxiliary workers at a minimum wage of 40 cents an hour.

Auxiliary workers are understood to be workers engaged in the following or similar occupations:

Bundle boys and floor boys (or girls).
Pairers and matchers.
Fitters' helpers and thread markers.
Examiners' helpers and brushers.
Finishers.
Bushelwomen.
Cleaning and basting pullers.
Boxers, stampers, and labelers.

Interested parties may file briefs for or against the adoption of the proposal or may recommend the substitution of such rate as they consider now prevails in the

industry, up to the time of the hearing and will be given opportunity to be heard at the hearing either in person or by duly appointed representatives.

For the convenience of interested parties a digest of wage information furnished by the Amalgamated Clothing Workers of America in support of its proposal and showing the distribution of wages in the manufacture of uniform clothing and in the manufacture of wool trousers as of the years 1940-1941 respectively has been made by the Research Section of the Division of Public Contracts and is attached.

Attention is called to the fact that on January 25, 1941 the Secretary of Labor determined the minimum wage for the coat and suit branch of the uniform and clothing industry to be 60 cents an hour, and that on the same date the Secretary determined the minimum wage for the wool trousers branch of the uniform and clothing industry to be 40 cents an hour.

The minimum wage determined will apply only to contracts for wool or part wool uniform trousers or breeches awarded by agencies of the United States Government subject to the provisions of the Public Contracts Act.

Briefs or telegraphic communications may be filed with the Administrator, Division of Public Contracts, Department of Labor, and they should be received on or before the hearing date. No form for the brief is prescribed but an original and four copies must be submitted.

The entire record will be considered by the Secretary of Labor before the wage determination is made.
